

Introducing:

*The One, the only advertising
agency that dares to tell the truth:*

Dr. Quack's Advertising Agency

(Dr. Quack)

Welcome,

We are world famous for our proven capacity to sell any number of versions of the insides of a ping pong ball for the figure nominated by our clients; we only charge 10 % of total sales as our fee.

For your information, we enclose copies of our recent advertisements for which we have won many awards; of course the best awards are those from satisfied clients .

Dr. Quack .
